

CHAYATRON MEESIL

FULL-STACK DEVELOPER

PROFILE

I am a graduate in computer engineering from Rajamangala University of Technology.

I am keenly interested in technology, specifically in roles such as full-stack developer. I am ready to learn and take on challenging projects or tasks.

INTERNSHIP

Team Precision Public Company Limited

June 2019 - Oct 2019

- Code modernization from C# to Python
- Design and build forms using the K2 Five workflow for corporate use.
